SUBJECT: [ ] - BGFIEND

TO: Chief, DYCLAVIER  
Washington, D. C.

Attn: [ ]

1. To correct your records please remove [ ] from the VALUABLE Scrutiny Team. Contrary to the impression held in Washington, [ ] was loaned to QKFERVOR to train and brief this team and was not actually incorporated in it nor infiltrated with it to carry out a separate mission for BGFIEND. Confusion undoubtedly arose over the fact that one of VALUABLE's missions was establishment of contact with a close acquaintance of [ ]'s in Identity (1) and it followed that [ ] would have been added to Scrutiny for this purpose.

2. [ ] returned to this station on 31 July and has rejoined the HTGRUBBY staff.

3. F.Y.I. [ ] has reported that W/T contact has not been maintained with Scrutiny since 7 July and one attempt to exfiltrate this team by sea on 28-29 July failed as the exfiltrating party did not show up at the prearranged rendezvous. This failure plus several reports of heavy patrol activity in this area make the outlook for this team most uncertain.
